

There's a heartbeat
There's a feeling
Everybody wants to know

Brand new days
Our winning ways
Desire is hot
The ball hits the spot

Power and passion
With pride on our side
Playing with heart
and soul for the goal

We're hot Knights
Melbourne Knights
Hot Knights
Knights side by side
The crowd comes alive
(for Hot Knights)

There's excitement
It's the one place
Every body wants to be

We've got style
We've got iron will
Sing with one voice
For all of the boys

The CD cover features a central white square surrounded by four colored quadrants: red (top-left), blue (top-right), blue (bottom-left), and red (bottom-right). The quadrants have a textured, fibrous appearance.
